Trigger Sprayers

Spray-Mist Trigger Sprayers

901 - 16 oz.

902 - 32 oz.

Nozzle adjusts to give a spray range from fine mist to jet - 200 lbs. pressure at nozzle. Both sprayers feature "Spray Mist" spray head which provides excellent atomization and large fog pattern, but the Deluxe style is larger and heavier.

901 Deluxe Sprayer with 16 oz. unbreakable poly bottle. Wt. 6 oz.

902 Deluxe Sprayer with 32 oz. poly bottle with reinforced neck. Wt. 8 oz.

Upward Spraying Teat Sprayers

24 oz. Teat Sprayers

M21000X

M21000

M22000

This upward spraying Trigger Sprayer comes with three different nozzle tips. Stainless Steel tips hold up well to teat chemicals and are available in short or 4-1/4" extended length. The plastic tip is an economical option. All models feature deluxe spray head, plastic bottle with graduation markings in 2 oz. and 50 ml and a handy dilution guide. All sprayers, 24 oz. capacity.

M21000 Sprayer with S.S. Tip.

M21000X Sprayer with Extended S.S. Tip.

M22000 Sprayer with Plastic Tip.

24 oz. Chemical-Resistant Teat Sprayers

M21000XCR

M21000CR

Chemical-resistant upward-spraying Trigger Sprayers have Viton O-ring and piston cup to last longer when harsh chemicals are used. Choose stainless steel dispenser tip or 4-1/4" extended stainless steel tip. Included are spray head, plastic bottle with graduation markings in 2 oz. and 50 ml, and a handy dilution guide.

M21000CR Chemical-Resistant Sprayer with S.S. Tip.

M21000XCR Chemical-Resistant Sprayer with Extended S.S. Tip.

16 oz. Draw 'N' Spray

Trigger-operated unit sprays upward so that a solid spray covers teats and udders fast and effectively. Includes durable spray head, bottle with reinforced neck, and either plastic or stainless steel nozzle tip. 16 oz. capacity.

007243 Draw 'N' Spray Teat Sprayer.

447243 Draw 'N' Spray with S.S. nozzle tip.

24 oz. Trigger Sprayer with Heavy-Duty Spray Head

Heavyweight nozzle rests comfortably in the hand and has reinforcing ribs for extra strength and long life. Sprayer tip adjusts from a fine mist to a jet stream - 200 lbs. pressure at nozzle. This trigger sprayer is designed to dispense and disperse an extremely fine mist.

904 Heavy Duty Deluxe Sprayer with 24 oz. bottle.

Reinforced Spongecloth

Spongecloth is thin like cloth yet holds water like a sponge. It is reinforced with a tough fiber screen to keep its shape and last forever. Great for udders utensils, or general use. 9.5" x 9.5" Spongecloths are packed two in an attractive poly bag.

991 Reinforced Spongecloth, Twin-pak. Wt. 3.2 oz.

Cellulose Sponges

Exceptionally strong and tough, yet soft and gentle when wet. Rapidly removes heaviest grime and manure. Withstands sodium hypochlorite or quaternary ammonium sanitizers. 8" x 8" x 1/2" Cellulose Sponges are packed 2 to an attractive sanitary sealed bag.

113 Economy "Twin-Pak" Cellulose Sponge. Wt. 3.2 oz.
